

Brandon's Share-Heart Steps

Three ways Brandon chooses kindness.

1

Notice the need:

Brandon looks at Spencer and notices hunger.

2

Ask what's fair:

Brandon pauses with the acorn and considers both needs.

3

Share with joy:

Brandon offers a matching half willingly.

Child direction: Point to, say, or place the three cards in story order.

Adult note: This is an optional story tool, not a rule that children must share food, possessions, or comfort objects.
