

HH-A-0010---Reading Support

Vocabulary

- cooperate
- include
- listen
- safety
- role
- test
- helper
- secure
- accessible
- together

Prediction

What might happen when everyone talks and moves at once?

Comprehension

1. Who was unheard?
2. What are the three steps?
3. Why did the first try fail?
4. What job did each friend choose?
5. How did they check the plan?
6. How did Kaydence and Asher help?

Retelling

Use these story words to retell the story:

Discover → Crowd → Fail → Notice → Reset → Plan → Assign → Test → Move → Help →

Reflect

Sequence

Put these parts of the story in order:

- **Page 1:** The group discovers a problem.
- **Pages 3–12:** The friends notice what is happening, reset, make a plan, choose roles, and test it together.
- **Page 15:** The plan is working, everyone can take part, and the friends reflect on what helped.
